President's Report

Dear neighbors,

We had a successful Easter Egg Hunt at the park with 15 children and families participating. We look forward to more involvement from everyone in the upcoming events.

We repaired a tot swing in the park that was broken. Thank you to the Raven family for reporting it, so it could be removed and repaired in a timely fashion. Thank you to the Fleming family for getting the globe that was blown off one of the lampposts in the median.

If you see something broken, please report it to: castlewoodhoaboard@gmail.com.

We have reimbursed all those who contributed to paying the legal fees for last year's case.

Thank you to everyone who paid the annual assessment on time. A notice has been mailed or emailed to those who missed the first due date.

The CPOA Board has been meeting monthly or as needed to respond to any issues that may arise. Please see the other reports in the newsletter for the latest updates.

We look forward to seeing you at the upcoming events this summer.

Thank you for your support.

Sincerely,
Jim Allen - President CPOA Board
